

REMARKS/ARGUMENTS

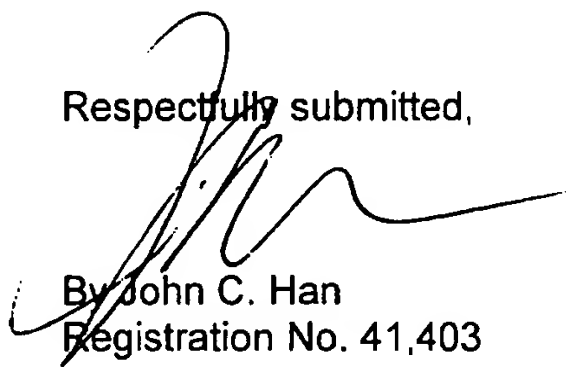

1.) Response to Non-Compliant Amendment

The Amendment document filed on March 7, 2006 was considered non-compliant because the claims identified as withdrawn did not have the claims. The Applicant has therefore cancelled claims 23-30. The Examiner's favorable reconsideration is respectfully requested.

In view of the foregoing remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for all pending claims.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
